# Be Proud Be Responsible in High School

Pre-/Post-Survey Findings

Between  
**April 2017-August 2018**

**2491** students

were surveyed

**90%** found the program  
**interesting**

**93%** **learned** something  
through the program

**90%** were likely to  
**recommend** the  
program

Participants reported it would be easier to...

...say "**no**" to sex

...get their  
partner to **not  
have sex**, even  
if their **partner  
wanted to**

...find a **place  
get tested** for  
STD/HIV

...use a **condom**  
and/or **birth  
control** (other  
than a condom)  
when having sex

...find **health  
information &  
services** the  
community

Between April 2017-August 2018, **35,522**  
youth participated in Be Proud Be  
Responsible
